It should be noted that previously TANGARO did not wish to have the bullet removed from his body but it appears as if he had changed his mind.

04-26-2002: 1045 Hrs.: I recontacted Dr. OLDFATHER in his office at 82 Puuhonu Place, Suite No. 202, in Hilo and was informed by him that he would be able to surgically remove the bullet from TANGARO's top left shoulder area and that this simple procedure would be done in his office after it was requested by TANGARO.

WENDELL TANGARO RECONTACTED

04-26-2002: 1048 Hrs.: While within Dr. OLDFATHER's office, I recontacted Wendell TANGARO and was informed by him that the bullet lodged in his upper left shoulder area was bothering him and because of that he wanted it removed.

At this time, the Hawaii Police Department Advice of Search and Seizure Rights and Consent to Search form was read to TANGARO who completed the form by writing "yes" in the block, signing the form "Wendell TANGARO," and placing the time as "10:50" (1050 hours). This form was witnessed by Adult Corrections Officer (ACO) Karen GOULD and was also done in the presence of another ACO, ACO Mark LOWERY.

For further information refer to the Hawaii Police Department consent to search form.

PHOTOS

04-26-2002: 1050 Hrs.: While within Dr. OLDFATHER's office, I took nine photos which depicted Wendell TANGARO and his injuries and the area on his body where the bullet was located prior to it being removed. The photos also included the incision on TANGARO's left shoulder area and the bullet as it was removed from that incision.
